**ALL HOMEWORK ASSIGNMENTS ARE DUE AT THE BEGINNING OF THE NEXT CLASS, READY TO BE CORRECTED OR TO BE HANDED IN (unless specified). THIS IS VALID FOR ALL ASSIGNMENTS DUE: LAB REPORTS AND/OR PROJECTS OR ELSE ...**

*If you are having trouble completing a homework assignment ...*

- Go over your class notes and worksheets
- Check your book
- Check our web site help: various useful links at [www.sci-teach.com](http://www.sci-teach.com)
- Call your study buddy or a friend to help you figure out ways of completing the homework. Homeworks are individual assignments so they should reflect your own thinking in your own way and words.
- Contact your teacher for extra help within school hours or make an appointment before or after school
- If after hours, send an email to your teacher [sandrine\\_colson-inam@wayland.k12.ma.us](mailto:sandrine_colson-inam@wayland.k12.ma.us) .
- If you really cannot do part of a whole assignment, you need to let your teacher know much before the assignment is due: 1 day before or the morning the assignment is due. NOT at the beginning of the class at which the assignment is due.
